The Trial Court Administrator's Office has received funding from the Charlotte Mecklenburg Community Foundation through its Front Porch Grants program, which is managed by Community Building Initiative. The program is an effort to build informal social capital within our community. Front Porch Grants are awarded to organizations and partnerships for specific programs and projects that foster bridge-building between individuals, communities, neighborhoods and organizations. The goal is to increase trust and expand social connections and informal networks in Charlotte-Mecklenburg. Justice Initiatives, Inc also provided a matching fund toward the program.
